About Us

At **Plush Trading**, we provide **premium linens and bath towels** built for commercial durability and exceptional guest satisfaction. Our products combine comfort, strength, and elegance, making them ideal for **hotels, resorts, and spas**.

While our brochure showcases popular selections, our true strength is **customization**—tailoring linens and terry to fit your brand's unique needs. We offer **custom production** and **direct container shipments** from our trusted factories in India, ensuring efficiency and cost-effectiveness.

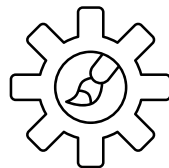

Enhance your guest experience with **Plush Trading**—where durability meets luxury.

A stack of white bath towels is shown against a light blue background. The towels are neatly folded and stacked in a way that shows their texture and the ribbed edges. A semi-transparent black rectangular box is overlaid on the center of the stack, containing the text "BATH TOWELS" in a bold, black, serif font. The background is a soft, light blue color, and there are some blurred green leaves and white flowers in the upper left corner.

- Launderable with normal processes
- 85% Cotton / 10% Lyocell / 5% Polyester

SPECIALTY ★★★★★

- Launderable with normal processes
- 90% Cotton / 10% Polyester

HYGROCOTTON®

Towels are made with a 100% HygroCotton® pile. The patented hollow-core yarns become softer and loftier with each wash, maintaining high guest satisfaction while reducing the total cost of ownership. Polyester is incorporated into the supporting structure for enhanced durability.

ITEM	ITEM NUMBER	SIZE	WEIGHT (lbs / dz)	CASE
Bath Sheet	HPTY-TW-BTSH-01	30" x 60"	16.9	2/dz
